Shanghai Richina Leather Awarded BLC Silver Certification

May 31, Shanghai, PRC: The BLC Leather Technology Centre has awarded a Silver certification to Shanghai Richina Leather Company, Ltd. (SRL), a subsidiary of Richina Industries, Inc., following the May 12 and 13, 2009 audit conducted by Mr. C. B. Wood, BLC's Asian Manager. The results were audited against environmental protocols established by the Leather Working Group, a group of global brands, retailers and leading tanneries.

According to Hellen Xia, SRL Group Quality Assurance Director, "SRL is very proud of our commitment to environmental stewardship. The Silver certification represents the efforts Shanghai Richina is putting forth in areas of energy and water conservation, waste management and overall environmental excellence."

Bob Moore, President and CEO of Richina Industries added, "we are committed at Shanghai Richina to raise the operational bar of all aspects of our business. We are very proud of the team's effort to achieve the BLC Silver ranking. Initiatives are now underway as we set our sights to obtain a Gold certification in 2010."

Shanghai Richina Leather Company, Ltd. is headquartered in Shanghai, China, and produces auto, garment and footwear leather for global brands including Toyota, Shanghai GM, Chery, Kenneth Cole, Calvin Klein, Cole Haan, Clarks, Wolverine Worldwide and Nike. SRL is also ISO 9001, 14001 and TS 16949 certified.
